[quote](#) [thanks](#) [print](#)

Questions of what error codes mean comes up often so here they all are. I did liberate the text from stealth home amusement

Error Code	Meaning	Solution
E-0/ (CE/CJ)	A token slot is jammed.	Push the button at the token slot.
E-1/ (HE/ HJ)	A hopper is jammed.	Turn off your machine, remove the hopper and take out all the tokens.
E-2/ (HE/ HJ)	Hopper dysfunction.	Check the hopper.
E-3/ (HE/ HJ)	A hopper is empty.	Refill the hopper.
E-4/ (RR)	RAM error.	Push the reset button.
E-5	Reel error.	Restart the machine and push the reset button.
E-6/ (CO)	Prize error.	Push the reset button.
E-7	Hopper Overload.	Check the hopper.
E-8	Hopper disconnected.	Check the cable.
CE/ CJ/ C2	A token slot is jammed.	Need to be cleared and clean with alcohol. Then, press the reset button.

These are my opinions and just because I am the admin you don't have to agree with me
