List of additional parts

Introduction This section deals with parts which cannot be automatically generated from the Wittenborg Database as each part number represents several variants of the part in question.

Keys and Locks You can have two kinds of locks, one for the door and the other for the operator box

Lock and Key for Door	Lock and Key for Cash Box
<ul style="list-style-type: none"> • Lock - Part No 396270XX • Key - Part No 396280XX 	<ul style="list-style-type: none"> • Lock - Part No 396250XX • Key - Part No 396282XX

The “xx” in the end of the part No represent the variants.
Always state the wanted key or lock designation.

Labels and Selection Buttons Always state the wanted designation and language.

Suspension Iron Part No 30710480

Colour Panel Zinc yellow - Part No 39555381 Ral 1018
